

COLLEGE OF ENGINEERING
UNIVERSITY of HAWAII at MĀNOA

LEADERSHIP SEMINAR SERIES

Presented by the Hayashida Family

You are cordially invited to attend our new lineup for 2024 of the College of Engineering's *Leadership Seminar Series*. Admission is free and open to the public.

Join us each month for a dose of inspiration as we hear from a different Hawai'i-grown changemaker whose work impacts both the engineering world and our community at large.

April Speaker: Shannon Holman

Friday, April 5, 2024, 11:30 am - 12:30 pm HST
via in-person & on **zoom**

Learn more and RSVP at

www.eng.hawaii.edu/event/lss-holman

Shannon Holman brings over 20 years of civil engineering experience, ranging from sewer collection and conveyance systems, water distribution systems, general civil engineering, to the most noteworthy airfield runways and taxiways. She enjoys working with clients and emerging engineers to plan and efficiently execute projects. As a co-founder, Shannon provides the overall leadership, strategic direction, financial planning, staff development and management for Orion Engineers to ensure the success of the firm's operations. With a thorough understanding of business operations, combined with her extensive field knowledge, project management experience and exemplary communication, Shannon passionately leads her team, fostering collaboration and communication, while enhancing client relations.
