

HAWAI'I RENEWABLE LEARNING FUND

The **Hawai'i Renewable Learning Fund** is a new loan program that aims to help students affordably finance their college education and secure quality jobs in Hawai'i

Juniors and Seniors at **UHM College of Engineering** can apply for this loan starting with the **2024-25 academic year**

KEY FEATURES

Affordable Financing:
0% interest, no fees

Student-centric Protections:
Loan deferment available for those earning less than \$50,000 per year

Employer Partners:
Repay loans on behalf of students they hire

Community Focus:
All repayments recycled to help future students
