

PIZZA PAU HANA

COFFMAN ENGINEERS' PANEL:

CIVIL, FIRE PROTECTION, STRUCTURAL, MECHANICAL,
& ELECTRICAL ENGINEERS

Free Event | February 18 | 4:00 pm

University of Hawai'i at Mānoa – Room H244

REGISTER

Join us for an exciting and informative engineering panel featuring representatives from multiple engineering disciplines—civil, mechanical, structural, electrical, and fire protection engineering. Panelists will each provide insight into their specific field and share details about a recent or ongoing project they are working on.

This is a great opportunity to learn about different engineering disciplines, get career advice, and see how these engineering professionals contribute to real-world projects in Hawaii and across the globe!
